Current plans are that there will be several numbered waypoints out in the brush. When each pilot chooses to start, they will take a picture of the 0 waypoint at the starting line and then a picture at each waypoint, in the correct order, as they pass. At the end of their run, the pilot will download their photos to the picture server and results for each class will be based on the time stamped photos. Pilots may run the course as many times as they wish during the day in an effort to better their time.

We will try to have the results to announce at the opening ceremonies.

Sunday's Opening Ceremonies Dinner will be for registered participants and ticket holders. Two (2) dinner tickets are included with your registration. When registering, please tell us how many additional dinner tickets you need. Additional dinner tickets may be purchased for \$25.00 each.

Directions to Jungo South Playa:

From Lovelock NV:

Drive East on I-80 to Imlay NV. Take the Imlay exit (147??), turn left and go under the overpass. Turn left on the Frontage road and follow to the 2nd RH turn. Take the Imlay Jungo Road on the right, and follow for about 18 miles to a 4-way junction out in the valley. Turn right at the junction and travel North for about 10 miles. You will be coming into an area where there are some houses. North of this area, the road will make a gentle left hand bend. Look towards the right and you will see a gate about 100 yards off the road. That is the entrance to the playa. Close the gate behind you.

From Winnemucca NV:

In the center of town, take highway 95 north towards Boise. After passing under the highway overpass, and crossing over the Humboldt River, turn left onto Jungo Road. Stay left and follow Jungo Road west for about 38 miles. The RR tracks will be on your left for a majority of the trip. At 35 miles out, you will pass Jungo Middle Playa on the right. Continue west on Jungo Road, cross over the tracks, then about a mile down you will find the Imlay Road on the left. Turn left and proceed about a quarter of a mile to the gentle right-hand bend. Look to the left for the gate. If you are pulling a trailer or other low-slung vehicle, get into the left-hand bar ditch just before the turn and follow to the gate road.

Playa Gate location: 40.894303 , -118.407714

We look forward to seeing you on the playa. Travel Safe. Have fun.
